OVERVIEW

Whether it's the timeless architecture of New York's dramatic Chrysler Building or the boundless utility of a Swiss Army Knife, you just can't improve upon some ideas. For that same reason we celebrated the 35th Anniversary of the sleek design of our Park Avenue in 2010, continually one of Allen Edmonds' best sellers and the Inauguration Day footwear choice for Presidents Reagan, H.W. Bush, Clinton and G.W. Bush. Guaranteed to make a dramatic impression, this cap-toe balmoral combines a classic silhouette with unsurpassed craftsmanship to convey the serious presence necessary for anyone who leads by example and ensures the Park Avenue will perfectly suit all the most important moments in your life.

ALLEN EDMONDS SHOE CARE

When caring for your calfskin, use Allen Edmonds Leather Lotion to remove surface residue and to keep leather soft and pliable. To achieve a fine luster, wipe shoes with a damp cloth and allow them to air dry at room temperature. Then, apply a coat of Allen Edmonds Premium Shoe Polish with a cloth or horsehair dauber and allow to air dry.
